1983/84

First Team Report 1983 - 1984

Plenty of pre - season training, and unbeaten in 3 friendlys, including hitting 9 past Dynamos and 6 past Park Town. The players still with their summer holiday tans and bristling with muscles. As a Manager I was very optimistic about the forthcoming season.

First match we lost 5-0 it was back to the drawing board.

The next week the team responded, by thrashing Farley Barn Owl 6-2. Confidence was restored. Halfway through the season we were second in the League having won 7, losing 2.

Being Knocked out of the Luton News Cup quarter finals 2-0 by Favourite F.C was perhaps the turning point of the season.

It's history now that we lost 7 games in a row, I spent hours with Captain Jim Halls and Vice - Captain Mick Marsh trying to find a solution.

In fairness to the team 3 of the games were lost by the odd goal. The last game of the season was drawn 0-0 with Sacred Heart but the side showed a willingness to fight right to the end.

Every season has its up's and down's, here are a few personel ones.

Downs

Phil Thompson seriously ill, his goal scoring prowess was sorely missed in the second half of the season.

Going so well in Cup and League games and ending up with nothing.

Rupturing my achilles tendon in training, which meant 8 weeks in plaster.

Up's

An excellent hat trick by Phil Thompson against Wyvern.

Hanging on for a 1-0 victory over Luton North End.

Coming from behind to beat Beds Police 4-1 in the Luton News Cup.

Yours truly coming on as sub and scoring my first ever goal for Lea Sports.

Mick Meehan's face a picture of happiness after completing his hat trick against Sacred Heart.

Beating Thames Utd 3-0, they had earlier thrashed us 5-0.

The young lads who joined the club late on in the season and helped us out.

Thanks to Secretary Keith Lee and wife Sue for all the typing, information, and hundreds of other jobs they've done this season. Thanks to Captain Jim Halls and Vice - Captain Mick Marsh for all their help. I couldn't of managed without you.

Season 1983-84

SECOND TEAM REPORT 1983 - 1984

These end of season reports are like paraphrased after match discussions in the bar; full of what might have been with scant regard for what actually happened.

What actually happened

The basic statistics for Lea Sports Reserve Team this season were:

Pld 26 WI4 D4 L8 For 45 Ag 41 Pts 32 Pos 3
(26) (9) (4) (13) (49) (60) (22) (9)

Figures in brackets are last season's statistics.

We played 34 (41) different players, but 11 of these played only one game. I am sure that this relative stability contributed greatly to what measure of success we have achieved this season.

We had 2 (7) Goalkeepers and both Phil Hudspeth and Ali Hearn deserve our thanks for doing what is often the hardest and least rewarding job on the field.

What might have been

Promotion was a distinct possibility throughout the season. We might consider ourselves unfortunate that the teams who occupied 1st and 2nd places were newcomers to our Division this season and that we missed out on promotion by goal difference to Co-op Kestrel Reserves.

Undoubtedly, our best games were against the two top teams when we gained a draw against G.I.S Legrave and a win and a draw against Co-op Kestrel Reserves. Nevertheless, against some of the least able teams we were dragged down to a level which deserved defeat.

Defensively we were as good as anyone in the Division but had the perennial problem of lack of clinical finishing.

A good season? Certainly!

Our best ever in terms of points and League position.

Disappointing? Arguably!

I am disappointed that yet again we have failed to achieve what we know we are capable of - promotion. Nevertheless, Lea Sports seasons' cannot be measured solely in terms of promotion and League success. As Archie Conway so often said this season " We are here to enjoy ourselves" and an excellent atmosphere has pervaded the changing rooms for most of the season, helped immeasurably by Archie's team talks. We were often laughing as we started the games, if not always at the end. On the field, he was what a Captain should be, the first to encourage and a leader by example. My thanks go also to Charlie McNerney who, as Vice - Captain, gave sterling support both on and off the field.

To every member who played, was substitute, ran the line, or helped in any way a sincere thank you.

For the third season in succession we have had an excellent disciplinary record and it does the club credit that we achieved our League position with no cautions or dismissals.

Good luck to my successor next season.

Season 1983-84

P.S We have applied to the North Home Counties League to be promoted as the third placed team in Division 7. It seems that we have a strong case and this possibility is now under consideration by the League.

1983 - 1984 Season, 3rd. XI Report

From most viewpoints this has been the 3rd. team's most successful season to date. More matches were played than ever before, more have been won than ever before and despite having a nucleus of 16 players from which to select a side, it has been possible as a result of the rota system which the players voted for, to give all players who were regularly available for selection 25 or more matches. Team statistics are as follows:-

Played 30	Won 10.	Drawn 9.	Lost 11
Goals for 76.	Goals Against 80		
Leading Goalscorers:-	Keith Bannister	22	
	Geoff Richardson	14	
	Roger Bowdon	7	
Record crowd - 5	and a one-eyed dog!		

With one match still to play on May 20th., the opportunity is there for the number of wins to balance the number of defeats and the goals for total to balance the goals against.

I think few 3rd. team players would disagree with my opinion that the team's success has been in no small part due to having a regular goal-keeper in Jim Gahagan and a regular goal-scorer in Keith Bannister. Well done to them both, but having said that it is equally fair to say that a great many other players have given some outstanding performances which have contributed significantly to the team's success. Team spirit has been excellent throughout, the players remaining equally cheerful in victory or defeat (well, nearly -----)

Some notable 'scalps' have been gained, the most satisfying perhaps, being St. Albans Round Table, Sixth Form College, Oaklands and Toddington Farmers. It must surely be only a matter of time before Luton Round Table are beaten, Charlie Watkins and all ! We came very close on two occasions but the Tablers came back to force draws.

On the subject of gains and losses of equipment I can report two match quality Mitre footballs gained and one practice ball lost, the number 10 shirt lost (whoever walked away with it, please come back - all is forgiven!) and one pair of navy blue track suit bottoms which appear to be designed for a 6 ft. 7 inch giant also gained.

Once again our home fixtures have been played free of charge at Barnfield by courtesy of Martin Kavanagh. Whilst we are indebted to Martin for his help, it must be said that the arrangement which worked so well last season did not work quite as well this. More often than not we were obliged to play on a youth size pitch either because the number of league matches scheduled exceeded the number of pitches available or because the college Principal took a hand by declaring the college pitch unplayable and instructing the ground-staff to remove the posts. There is no doubt that the smaller pitch severely cramped our style on a number of occasions.

The highlight of the season for me, and I suspect many other players, was the Dunstable Round Table fixture played on Dunstable Town's ground. Trotting on to the pitch from dressing rooms containing plunge baths via the players tunnel was rather special but having got there much of the pleasure ceased. The pitch was quite enormous resulting in many old pairs of legs really suffering !

No 3rd. team report would be complete without mention of an incident in a match against Luton Round Table one cold, frosty Sunday morning. John Scales after a constant torrent of verbal abuse from a Round Table player every time their paths crossed, decided enough was enough. At the first opportunity John decided, the player must be 'punished'. Before long, the moment came. Near the touch line, John slid hard at the offending player but presumably made his intentions all too clear - to the Luton Round Table player that is. Tony Riley however was not so lucky! Our opponent jumped over John's leg advancing at a rate of knots leaving an unsuspecting Tony fully exposed to John's wrath. The next thing Tony knew, he was writing in agony some ten yards inside the adjacent pitch. The rest of the team collapsed helpless with mirth. Sorry Tony!

With many old battles to be resumed next season as well as a considerable number of new contacts to be exploited I am hopeful that 'the Dad's Army' of Lea Sports will have another 30 or so fixtures to enjoy next season. More power to your elbow fellows, - and your legs.

Thanks for a lot of happy memories in my first season as joint manager. I couldn't hope to have had a happier group of characters to manage. Thanks to John Scales for making my task such a pleasant one - particularly at the weekly team selection meetings and finally, I know I speak for all 3rd. team players when I record a huge vote of thanks to Phil Charles who throughout the season has undertaken that most thankless of jobs - referee - at most of our home fixtures and a few aways.

A MEETING OF THE "EXECUTIVE"

ACT I Pre- Meeting Mayhem

Sees our players scurrying hither and thither in search of chairs, tables, orange boxes or any other items that appear capable of withstanding about 160lbs of dead weight. With drinking vessels replenished the members show their enthusiasm for the task ahead by all talking at once, drowning the Chairman's call to order.

"By the way who is the Chairman?" "The guy whose just called for order."

"Someone find the light switch" "Dave (Pymont) why are you hammering on the table?"

At which point Dave sinks into oblivion, but not before handing the reins to Keith (Lee). - Immediate silence! Can it be that the members are expecting some more gems of the famous Lee oratory. Keith hands out the agenda, so grizzled and worn by the seemingly endless number of times the same piece of paper has been photocopied. Charlie (McNerney) graciously accepts said piece of paper and proceeds to stand his pint on it. Others, more politely pretend to read what's written even though the contents are by now forever engraved on their minds.

ACT 2 The Meeting Begins !

Part 1 - The Chairman asks that the meeting be as quick as possible. At which point members are mysteriously struck down by an accute attack of deafness.

Part 2 - Secretary reads out apologies for absence. i.e anyone who hasn't bothered to turn up.

Part 3 - The minutes of the last meeting are read and accepted. Blank faces betray the fact that certain members can't remember what they had for breakfast that morning let alone remember what was discussed at the last gathering.

Dave signs knowingly !

Part 4 - Secretary's Report - Out comes the little black book that doesn't see the light of day from one meeting to the next. Keith relays some fascinating snippets that had obviously been scrawled that morning over breakfast. You can always tell the egg yoke is still soft. About this time the first in a continual line of interruptions occur. Ali (Hearn) delivering Rick (Vipers) and Charlie's refreshments - Pymont juniour appearing with outstretched hand. "Mum says your to give me 20p for the pool table dad" "Only if you let me win next time we play," comes the curt reply. - "Someone answer that bloody phone." - Etc Etc. "Oh is that it Keith, right Treasurers Report."

Part 5 - It is normally about now that those whose apologies for absence had been read out, appear on the scene. A furtive smile, a whispered sorry I'm late, and a slink to an unoccupied place at the table. Keith hastily crosses something out from the minutes. Whilst this was going on Ade (Duke) had manfully been making his report from his carefully documented journal. "By the way Ade, what is it you teach at school?" - "English" - "Thought so."

Part 6 - Managers Reports.

- i) Dave (Lloyd) dutifully reminds us all that training is on Tuesday at 8. I think he is tactfully keeping stum on past 1st Team performances.
- ii) Rick tells us how badly the 2nds are performing, and also that they are top of their league.
- iii) Maurice (Dawson), with a modest little smile, tells of the 3rds most successful season in memory.

Part 7 - Publicity/Entertainment - We are all reminded of our responsibilities to arrange and oversee events like this end of season do. We are also asked to write something for the accompanying mag. Hence this load of rubbish.

Part 8 - Any other Business - Much restless fidgeting and clock watching - 10 mins to closing time. Jim (Halls) has just finished his pouch of Golden Virginia and Keith is just opening Jim's second pouch. Micky (Marsh) and Archie (Conway) appear to be suffering from symptoms of dehydration. Anyone actually foolish enough at this point to raise another topic risks actual bodily harm, so the meeting closes at 1-48pm with an ungentlemanly rush to the bar.

"WHAT THE PAPERS SAID"

LEA SPORTS 4 WYVERN MEMBERS RESERVES 1

AN EARLY goal by Wyvern stung Lea Sports into action in Division Five and they quickly equalised through a well-taken effort by Phil Thompson.

In the second half Lea dominated and ran in three more goals through Kevin Newsome and Thompson, who completed his hat-trick. Lea goalkeeper Alistair Allam capped a fine performance by saving a penalty.

BOATER RES 4, LEA SPORTS RES 1

SHOWING why they could be the dark horses in the Division Seven title chase, Boater demonstrated total commitment and a belief in wing-play to upset the leaders.

After again ringing the changes — Boater have used 28 different players in their eight games — they went two goals up inside 15 minutes through Jammy Kelman and Eddie News.

Roger Qureshi made it three in the final minute of the first half and Phil Harmsworth added a fourth before Stewart Fisher scored for Lea in the final minute.

A goal by Graham Fordham gave Boater's first team a point in Division Three in a 1-1 draw with Waterloo Reserves.

LUTON NORTH END 1, LEA SPORTS 5

WITH A TERRIFIC display in the second half, classy Lea Sports cruised into the next round of the Luton News Cup.

Phil Clarke put them ahead in the fifth minute, but Luton North End equalised before half time.

An own goal after the break restored Lea's advantage and Phil Thompson got the third with a header. Manager and substitute Dave Lloyd went on for injured Mick Meehan and scored the fourth, and Phil Thompson followed up with the fifth.

In Division Seven Alan Dawson scored the equaliser for Lea Sports Reserves direct from a corner in a 1-1 draw with Luton Strollers.

PD WOODSIDE 2 LEA SPORTS 11

HIGHEST scorers in the Beds Sunday Lower Junior Cup, were Lea Sports, who really went to town against Leighton Sunday League opponents. Phil Clarke and Mick Meehan each scored hat-tricks.

To complete the rout Keith Lee scored a couple, Ali Mayman and Kevin Newsome got one apiece and the goal of the game was scored by Alistair Hearn.

In Division Seven Lea Sports Reserves hammered Old Moat House 5-0 with four goals coming in the second half. Steve Smith and Alan Dawson each scored twice with Dave Pymont getting the other goal.

The third team, who play friendlies, beat Shuttleworth College 4-0 with Keith Bannister getting a hat-trick and Dave Jones the other scorer.

Lea Sports are still on the look-out for new players and anyone interested should phone Keith Lee on Luton 26692.

MUSTANG 3, LEA SPORTS RES 5

RETURNING after injury, Dave Pymont, the headmaster of Hart Hill Junior School, gave Mustang a lesson in finishing in Division Seven by scoring two goals.

Lea, 2-0 down, pulled back one before half-time with Alister Hearne also scoring twice and Alan Dawson getting their other goal.

BEDS POLICE RES 1, LEA SPORTS 4

A ROASTING from manager Dave Lloyd at half-time transformed Lea Sports for the second half and spurred them to victory in the Luton News Cup.

He blamed them for lack of effort and told them they were lucky to be only one down.

The result was a four-goal burst in the second half when Phil Thompson scored a brace and Mick Meehan and Phil Clarke got the other two. Keith Lee and Lelvin Callow were outstanding at the heart of the Lea defence.

In Division Seven Lea Sports Res suffered their first defeat of the season when they lost 2-1 to H Plan. Chris Marshall equalised for Lea in the second half, but H Plan came back to take the points.

LEA SPORTS RES 2, GIS LEAGRAVE 2

DIVISION SEVEN leaders Lea Sports scored a valuable equaliser five minutes from time to take a point from one of their biggest rivals, unbeaten GIS.

Lea fought back after conceding two goals in the first half. Key Newsome pulled the first back after good work from Phil Thompson, and the point-saver came from a penalty by Charlie McNerney.

GIS LEAGRAVE 5, LEA SPORTS RES 0

A CRUSHING victory over the leaders moved GIS up into second place in Division Seven.

Centre-half Ray Cain damaged his knee as he ran on the pitch and didn't kick a ball.

Their second substitute, David O'Brien was introduced ten minutes into the second half. He celebrated with two goals. Owen Savage (2) and Pete Brimble were the other marksmen.

LEA SPORTS 5, VAUXHALL RES 2

PROMOTION-chasing Lea stormed into 3-1 lead in the first half against Vauxhall Reserves, with Phil Clarke scoring two and Mick Meehan getting the other.

Phil Thompson got the fourth before Vauxhall pulled one back, and full-back Mick Marsh completed the nap-hand for Lea.

Lea Sports Reserves extended their lead at the top of Division Seven to three points with a 1-0 win over second-placed Luton Strollers.

Skipper Archie Conway scored with a brilliant chip-shot in the tenth minute.

NHC Sunday League

LEA SPORTS 3 INTERNATIONAL 2

TWO up at half-time in Division Five, Lea were made to sweat by opponents who never gave up the battle.

Phil Thompson and Phil Clarke got Sports away to their flying start before International pulled a goal back. Thompson struck again to put Lea 3-1 ahead with a tremendous volley, but International again narrowed the margin to a single goal and were going all out for an equaliser in the closing stages.

An earlier defeat by Luton and Dunstable Hospital was avenged by Lea Sports Reserves when they beat them 5-2 in Division Seven. Dave Pymont was in sparkling form with a hat-trick, and Rick Vipers scored the other two.

LEA SPORTS RES 5, BOATER RES 2

TWO opportunist goals by Jammy Kelman provided the only bright spot for Boater Res in a lack-lustre display in Division Seven. Manager Joe Lecherty was furious and blamed his players for resting on their laurels after a good performance the previous week.

LEA SPORTS 3, THAMES UNITED 0

STEPPING up the pressure in Division Five, Lea Sports scored their fifth win in a row to avenge a 5-0 drubbing on the opening day of the season.

Alan Dawson and Alistair Mayman established a two-goal lead before the break and Mick Meehan made it safe with the third.

LEA SPORTS RES 0 LAND D HOSPITAL 2

THE TOP-of-the-table battle in Division Seven saw unbeaten Luton and Dunstable Hospital replace their opponents in first place.

Paul Fletcher scored his 16th goal of the season and skipper Pat Miller got the second, the 36th Hospital have hit in seven matches.

FARLEY BARN OWL 2, LEA SPORTS 6

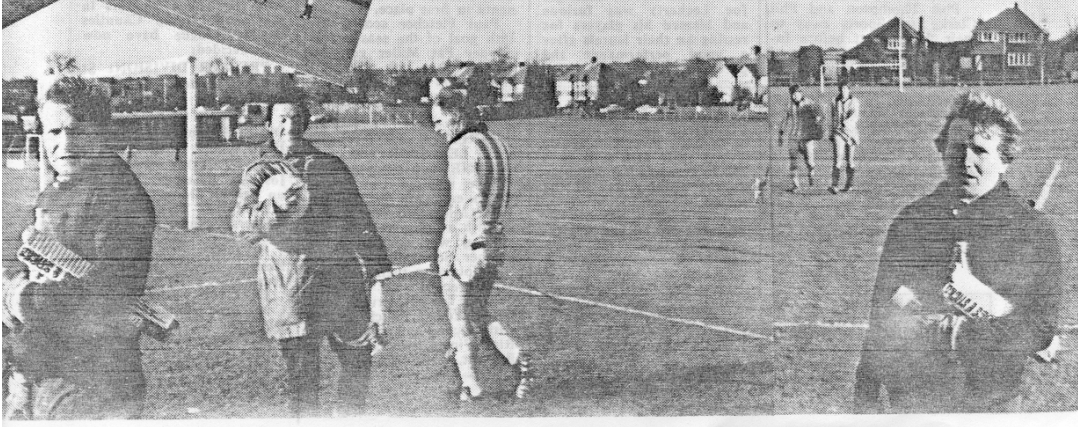

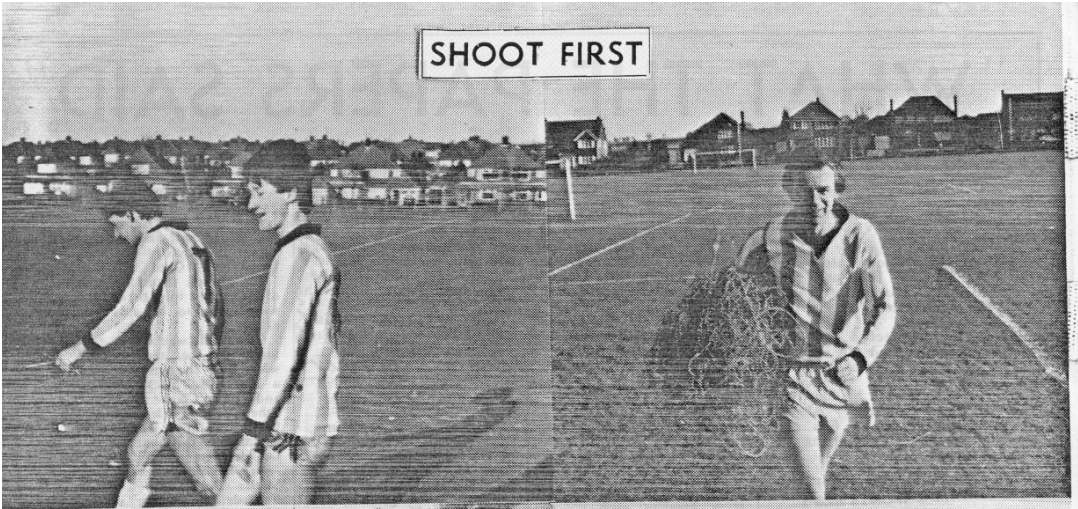

A FINE hat-trick by Phil Clarke inspired Lea Sports to an easy win in Division Five. Mick Meehan waded in with a brace and the Lea scoring was completed by skipper Jim Halls.

Maintaining their 100 per cent record in Division Seven, Lea Reserves beat Luton Young Solicitors 3-0 with second-half goals from Rick Vipers, two, and Dave Pymont.

LUTON NE 4 LEA SPORTS 0

CONCEDING AN OWN GOAL in the 15th minute, Lea Sports never recovered in a Division Five battle. Clive Race volleyed a fine second for North End and man of the match Nick Carter produced the third for Kelvin McAlloon to finish off. In the second half Paul Scoon got the fourth.
