The Thoughts Of Chairman Al...

Our second season at Stopsley is now completed and it's starting to feel like home. It is difficult to look back to last August and recall the changes over the season, but the Club has made progress. We now have our own pitches outside the Clubhouse and our third team has completed its first season of league football. The South Beds. League division 3 has proved competitive but after it seemed we were destined not to win a league match all season, results did improve to give encouragement for next year.

We have benefitted from sponsorship by 'Premier Computer Supplies' this year and this is to continue next year. With the help of Stopsley Boys Club we now have a trophy cabinet which I hope we can fill next season.

I would like to thank all the Committee members for their work this year. I would particularly like to thank Andy Bignell and Dave Blake who both took on posts to help the Club. Without Andy's willingness to act as third team secretary we would not have been able to compete in the league despite the wishes of most of the players. After the second team had a disastrous start to the season, losing three matches and two managers, Dave was able to bring a stability to the team, with the help of Rick Vipers and Steve Moorhouse, to allow us to challenge for promotion. I would also like to thank Ted the groundsman for all the help he has given us with the pitches this year.

Hopefully, next season we'll actually win the trophy we threatened to claim this year. As far as the Club itself is concerned, there are few Sunday League teams who can match the facilities available from the Social Club. The opportunities for us to improve and make better use of these facilities are there and I hope all Club members will be able to support your new Chairman Keith Lee and the Committee next season.

Al Mayman
Chairman

FIRST TEAM MANAGER'S REPORT 1988-1989

Once again I am writing these notes in the knowledge that Lea Sports 1st team has achieved its highest ever league placing and in that respect it has been a successful season. We have also found our goalscoring touch again - many of you will know that before the season I set Phil Thompson a target of 12 goals from midfield. He promptly scored 3 hat-tricks in a row and went on to score over 20, whilst Alan Dawson was only one short of 30 first team goals. Our record of 91 league goals will be bettered in all nine divisions only by GIS, the Division 4 champions.

On the debit side, however, is the fact that we have conceded far too many goals to be championship contenders. In our last league game of the season we lost 5-3 to Luton Flying Club. That was the first time they had conceded more than two goals in a match all season - it was the tenth time we had done so. But it must be remembered that preventing goals is the responsibility of the whole team, not just the defence. At times it seems to me that the Club as a whole, not just the first team, does not care enough when goals are conceded and does not give enough commitment to prevent it happening.

Talking of commitment, may I mention two people whose contributions to the Club have been outstanding. Firstly, Ted Ellis of Stopsley Boys Club who has not only represented that Club on our committee, but has also supported us at many games, has run the line, refereed and has generally done everything asked of him to assist what is after all his second club. Also Bill Hind who, as you will see from the records later in this brochure, has been substitute for the second team almost 100 times and who this season has also run the line, refereed and generally helped out whenever necessary - and all this without ever having been a first choice selection for the first team. The contribution of both these people has been exceptional and I thank them very much.

Also a mention for all the other Executive Committee members without whom the Club would cease to exist, especially Al Mayman as Chairman and Dave Blake's success with the reserves.

As far as selection goes it has been a bit of an experimental season, by keeping a very tight-knit squad of players. Only 18 players have started a first team game. Of these two played only three games between them and two are goalkeepers. I am sure there have been second team players this season who have been disappointed at not getting a regular chance - even more so when some first team players have objected to being substituted or being asked to start as substitute.

Next season the priority has to be to concede fewer goals. I expect that this, plus the possible influx of some players from Stopsley Boys Club, will increase the competition for first team places. If goals are conceded, changes will be made: it's as simple as that. It will probably mean a drop in my personality ratings with some people, but you can't be nice to everyone and win championships. We must concede fewer goals.

Steve Smith
First Team Manager

P.S. Every year I read through what I've written and alter it to take out some of the moans and offend fewer people. This year I haven't done that. This Club has the potential to win things, but that doesn't come easy. Maybe next season, if we get our attitude right, we just might make it happen.

SECOND TEAM MANAGER'S REPORT 1988-1989

Early season results ensured that once again the second team had no real chance of gaining league success. However, on reflection there is no reason to be pessimistic about prospects for next season. Form in 1989 was extremely impressive with just one defeat in ten games. The team's defence improved dramatically over the season as the statistics undoubtedly prove (20 goals conceded in the first 6 games; 21 in the remaining 14).

Many players contributed over the season, but special mention should be given to a few individuals who played particularly well. Dave Newman, despite one or two aberrations, was an inspiration on several occasions. Paul Gatherer (perhaps the oldest new boy) was often the most skilful player on the pitch and proved an ideal 'team player'. Phil Clarke once again showed himself to be an ace goal poacher, while Rick Vipers was always a willing target man. Consistent performances came from Kelvin Callow, Charlie McNeerney, Ali Hearn, Steve Moorhouse and Mark Turner (his appearances in goal will be remembered by all involved in the last two games). Hugh Byrne's improvement over the season was especially noteworthy and Dave Harris's skill will be missed next year. All teams depend on the versatile player who can fill in many positions and I am thankful to John Darley who performed that role without complaining throughout the campaign.

I would like to record my thanks also to several other club members who made my job much easier. First of all Steve Smith, who all in Lea Sports should appreciate is probably the driving force behind the Club. Al Mayman whose commitment is total. Rick Vipers and Steve Moorhouse the two captains who were always supportive and often helped me to make decisions when I was too absorbed in playing to think clearly. Thanks also to Jim Gahagan, Geoff Richardson and Mark Turner who were supportive throughout.

This has been a season on which we must build. The Club undoubtedly possesses the best first team it has ever had and all efforts must be made to ensure that they play at the top levels in future seasons.

The second team can cash in on the first team's potential and gain success for ourselves if only we can keep fielding good teams throughout the season. This is especially the case in September and I appeal to all members to drive to make yourselves available at the beginning of the season.

Dave Blake
Second Team Manager

THIRD TEAM MANAGERS' REPORT 1988-1989

The decision to enter the South Beds.Sunday League, taken at a Special E.G.M. in the hope of securing regular fixtures against opposition of a similar standard provided a new challenge for the 1988-89 season. However, within a few weeks of the start of the season, we were to be disappointed on both counts. The league fixtures left many gaps where friendlies had to be arranged, often at very short notice and the standard of the opposition proved to be stronger than anticipated.

As the campaign progressed we were to call on the services of 60 players or more to complete the programme of 20 league games (six wins) and 7 friendlies (one win). The number of players used, combined with numerous injuries and positional changes contributed to an unsettling effect on the team. A list of the players would make a lengthy passage in this report but we would like to thank them all for their efforts and we would particularly mention Andy Thompson who made 19 starts and Tony Ingram, Neil Hebron and Tony Riley who made 18 starts in the team. Also the amazing goal contributions of Phil Thompson (14 goals from 5 appearances) and Alan Dawson (13 from 4).

Both on and off the field we have been helped by the Selection Committee, especially Steve Smith and Dave Blake who have given great support. Also Andy Bignell's role as secretary and Ken Beavan's willingness to captain the side and help in the management. We must not forget Bill Hind and Phil Charles who turned out on numerous occasions to substitute for the illusive referees. (I think you mean 'elusive' Jim - 'illusive' means 'deceptive' - Editor's note)

Team performances have been rather erratic. To highlight the extremes only we have to remember the despair of watching the performance against White Horse in a cup match. As goals against mounted spirit eroded away to end in a 0-17 drubbing. On the other hand, in the league match against the Rose and Crown, then league leaders, the fighting qualities shone through.

The team recovered from a terrible start, 0-3 down, to have them on the 'rack' at 2-3 for most of the second half before conceding late goals. This recovery was partly due to the inspiring performance of Dave Pymont (possibly the oldest player on the field) who combined so well with Steve Moorhouse on the left side of the field.

One of the most humorous situations was early in the season in a game against Toddington Social at Flitwick where after dominating the early exchanges their captain was heard to shout when the score was still 0-0, "Come on lads, all you have to do is score!" This was immediately answered by one of our midfield players, to which our left-back replied, "That's the way to do it!". This breakthrough resulted in a 0-6 defeat.

On the brighter side we were able to introduce a number of new playing members to Lea Sports; on the other hand we have witnessed a number of players lose heart and drift away from the Club.

The use of regular First and Second team players at the end of the season to provide some respectability to our league programme will, we hope, both have helped some of our younger players gain confidence for next season and also perhaps let those First and Second team players realise the standard of teams we have been up against.

Finally, we would like to thank the girls in the background who must dread the arrival of the black kit bag on Sunday afternoon, but all the same ensure that we are well turned-out the next week.

WYVERN RES 3 LEA SPORTS 6

A MISTAKE BY the Wyvern goalkeeper set Lea Sports striker Phil Thompson on his way to his second hat-trick in Division Three.

Lea dominated the early play and were two up after 20 minutes thanks to Thompson. Andy Bownes made it three with a superb solo effort.

Wyvern struck back with a goal before half time, but Lea took command in the second half, with Russell Shepherd, Thompson and Alan Palmer completing the half dozen.

In a late revival Wyvern scored twice to make the scoreline more respectable.

6/11/88

HOLY GHOST 0 LEA SPORTS 17

A CLUB SCORING record was rattled up by Lea Sports in Division Three, who streaked into a nine-goal lead by half-time.

Phil Thompson, man of the match, scored seven to bring his tally for the season to 19.

Alan Dawson hit four and the other goals came from Russell Sheppard (2), C. Bradley, Keith Lee, Pete Smith and Paul Gathern.

Keith Downing, Mick Marsh and Andy Bownes also had superb games.

11/12/88

RED STAR 1 LEA SPORTS 3

COMING STRONG in the second half, Lea Sports took the points in Division Three.

A Phil Thompson penalty for Lea separated the sides in a hard-fought first half which produced attractive soccer from both teams.

In the second half Lea were well on top, but conceded an equaliser from a corner.

It spurred Lea to retaliation and they took the game by the scruff of the neck, creating several chances before Alan Dawson put them back in front. Alan Palmer scored a third to make the result more realistic.

22/1/89

LEA SPORTS 0 LUTON FLYING CLUB 3

THE LEAD CHANGED hands in Division Three, where Sacred Heart took over from Lea at the top with a 6-2 win over 61 FC.

Luton Flying Club, who toppled the previous leaders, are behind on goal difference.

Will O'Leary scored twice against his old team-mates in the Lea side.

O'Leary then put Lea defender Keith Lee under pressure, and he put the ball into his own net to give the Flying Club a clear-cut win.

19/2/89

LEA SPORTS 4 MARKYATE 0

PLAYING AGAINST TEN men, the home side completed a double in Division Three.

Midfield dynamo Andy Bownes opened the scoring in a goalmouth scramble, and Alan Dawson added a second before the break.

Lea spent the second half encamped in the Markyate half, but were constantly frustrated by the mud and some good saves by the goalkeeper.

Defenders Mick Marsh and Keith Downing both went close, and Hugh Byrne thought he had scored on his debut as sub, but his effort was ruled out for off-side.

Alan Palmer did make it three and the best goal of the game came from a cross by Kevin Boxall for Dawson to score his second.

9/10/88

HARVEST HOME 5 LEA SPORTS 5

IN A TEN-GOAL thriller in Division Three, Lea Sports stormed into a two-goal lead before Ernie Vine put Harvest back in the game.

Alan Dewson scored twice for Lea, and Al Mayman put them 3-1 up.

Mike Birtwell pulled another back for Harvest Home but Phil Thompson scored one of Lea's best goals of the season.

It was then the turn of Harvest Home to take the initiative and goals by Birtwell and Kevin Wheeler (2), put them in front for the first time.

But in the 85th minute Lea rescued a deserved point through Keith Lee.

13/11/88

MARKYATE 2 LEA SPORTS 3

AGAINST A POOR Markyate side in Division Three, Lea Sports struggled to find the form that brought them a 17-goal avalanche the previous week.

On the large village pitch Lea took a first-half lead through Alan Dawson.

The villagers hit back just before half time and although Dawson got his second goal Markyate equalised again with ten minutes remaining.

Lea stepped up a gear and piled on the pressure, and were rewarded with a scrambled winner by Alan Palmer.

Their man of the match was Colin Bradley, who put in a fine performance the day after his 21st birthday knees-up.

18/12/88

LEA SPORTS 7 HOLY GHOST 1

HAVING WON THEIR first points in Division Three the previous week, bottom of the table Holy Ghost came back to earth with a bang.

Championship-chasing Lea showed no mercy in grabbing the spoils to put them back on top of the table.

But for Ghost it was a big improvement on the previous meeting between the two sides, when Lea won 17-0.

Phil Thompson scored his 100th goal for Ghost in the first half. Kevin Boxall had opened the scoring with a low shot in the fifth minute, and Rus Sheppard made it three by the break.

In the second half Thompson, Boxall, and Sheppard scored again, with Alan Dawson rounding it off.

29/1/89

LEA SPORTS 4 HARVEST HOME 2

AFTER SUFFERING ONLY their second defeat in Division Three, Harvest Home think they have probably thrown away their chance of the title.

Lea Sports moved back to top spot above Sacred Heart Reserves, who were involved in the Reserve Cup.

Midway through the first half Alan Palmer opened the scoring for Lea when he deflected a shot by Alan Dawson into the net.

But Harvest Home struck back immediately. Len Clark netted with a header from a cross by Ian Roberts.

Man of the match for Lea, Alan Dawson, then took the game into his own hands, scoring to put Lea in front by half-time.

Dawson completed his hat-trick in style before Clark pulled one back for Harvest Home.

5/3/89

BSI 1 LEA SPORTS 3

HOPING TO FINISH in the top three in Division Three, Lea Sports picked up two valuable points.

They started slowly, but after some close shaves they took the lead through an own goal.

BSI soon got back on terms, scoring midway through the first half, but Alan Dawson put Lea back on top after some intense pressure.

Lea's defence stuck to their task and late in the half Lea took complete control, finishing strongly with Dawson scoring his second.

Not A Lot Of People Know That....

Alan Dawson first appeared in the third team in 1980/1 (aged 15). In 1982/3 he played one first team game. Also in 1982/3 he scored his first goals for the Club: a hat-trick for the 3rd XI vs. Central Round Table (we lost 5-8). This season he scored in 7 consecutive first team matches (Nov.88 - Jan.89), scoring 13 goals (we won 6 and lost 1 of these games).

Talking of goalscoring: Phil Clarke scored in each of the first 11 first team games in 1982/3 (won 8, lost 3); he then failed in 3 and scored in 5 of the next 6 games, finally scoring 28 goals in 25 games. Phil also scored in the first match of the season in 1976, 1977 and 1978. He was also the first player to score for all three teams in one season, in 1979/80. Since then this feat has been repeated by:

Charlie McNerney	1980/1
Tony Riley	1982/3 (one for each team)
Phil Clarke	1983/4
Chris Marshall	1984/5
Phil Thompson	1984/5
Dave Pymont	1985/6
Phil Thompson	1985/6
Alan Dawson	1985/6
Al Mayman	1986/7
Phil Thompson	1986/7
Pete Mather	1987/8
Kev Boxall	1987/8
Phil Clarke	1987/8
Alan Dawson	1987/8
Phil Thompson	1987/8
Simon Redgewell	1987/8 (one for each team - his only goals for the Club)
Alan Dawson	1988/9
Paul Gathern	1988/9
Russ Sheppard	1988/9
Al Mayman	1988/9

Phil Thompson failed to achieve 5 years in a row by not scoring for the reserves this season.

Maurice Dawson started playing in 1977 - he scored his first goal seven years later.

Bill Hind has turned out as sub for the reserves 95 times.

In this season's final reserve match, vs. Stopsley Boys Club, Kelvin Callow made his 350th appearance since 1975 - and scored the winning goal in a 4-3 victory. Kelvin has now appeared 394 times for the Club.

In 1987/8 the third team lost 5 games in a row all by the same score 2-5. The third team's only 0-0 draw was on 13th October 1985. They only managed one goal between October and December 1988 - Mick Barton's only goal of the season (they conceded 31 during this time)

The Club's players have included a Podgorney, a Strohmeier, an Earthrowl and in 1982/3 the three Wigglesworth brothers.

Mark Doyle still holds the first team goalscoring record for a season: 33 in 1985/6...

M.Doyle	33	1985/6
A.Dawson	29	1988/9
P.Clarke	28	1982/3
M.Stead	26	1972/3
F.Thompson	24	1988/9
W.O'Leary	23	1987/8
M.Doyle	22	1984/5

Keith Lee has still not scored more than three goals in a season (should I remind him that Andy Bownes scored 5 this year?)
