A FOOTBALL ASSOCIATION CHARTER DEVELOPMENT CLUB

PREMIER LEAGUE COMPETITION

2017-2018 (Thirty-first Season)

Guaranteed Minimum First Prize: £100

CLOSING DATE: SUNDAY SEPTEMBER 17th 2017

== RULES ==	Your forecast here--		
<p>The object of the Competition is to forecast the final position of each of the twenty teams in the Premiership for the coming season.</p> <p>The teams are listed on the right in alphabetical order and you are asked to write the position of each one alongside the name.</p> <p>To calculate the score, we work out the difference between the <i>actual</i> position of the team and your <i>forecasted</i> position. For example, if you put Chelsea 6th and they finish 14th you score 8 points. The points for each team are added up and the person with the lowest total is the winner.</p> <p>If two or more people have the same score, then the number of correct forecasts and forecasts one position out are used as a tie-breaker.</p> <p>Regular updates are available on the Club website www.leasports.com.</p> <p>Entry fee: </p>	1.
